

JAMES M. MUNDY, JR

CDT, CFPS, CPP, CSI, SFPE, NYS CCEO, SET

James Mundy's fifty plus years of experience in Fire Alarm, Building Signaling, Fire Suppression, Access Control, Environmental Control and various signaling Systems uniquely qualifies him in consulting, commissioning and expert witness activities. Mr. Mundy serves in advisory capacities to local, state and national bodies and previously was an ISO Convener. His service to New York City Building Code committees, NFPA National Fire Alarm Code Technical and National Standards Committees plus chairing the NYS DOS State Burglar and Fire Alarm Licensing Advisory Board combined with numerous development and legislative groups is well known in life safety circles. Training wise, Jim is a Master Instructor and teaches for IMSA, NTS, NFPA and AFAA. He is a New York State certified Code Enforcement Official and holds a Private Adult School Full Teacher license. Jim also serves NICET as an Ambassador and SME.
