

Individual Training Bundle & Company Training Subscription

AFAA is happy to announce two new training packages that are now available. The development of these was in response to frequent requests from our members and those that attend our training programs.

1. Individual Training Bundle:

This plan is open to members and non-members and includes attendance to your choice of four of the most popular fundamental fire alarm classes. This bundle is perfect to get you prepared if you are new to the fire alarm industry. Or, for others looking for a solid refresher or to prepare for your NICET exams.

Pricing:

AFAA Members: \$800

Non-Members: \$995 – includes one-year AFAA membership

2. Company Training Subscription:

The Company Training Subscription is a great way to offer training opportunities to all your employees. This pre-paid subscription allows you to build the best program option to meet the needs of your company. This program also fulfills a common request we receive from Club 72 companies to provide discounted training to their employees. Some employees are not interested in AFAA membership – just training. The Company Subscription provides bulk purchase discounts that can be redeemed at most training offerings through the year.

- Packages are available starting at 10 class attendees, up to 100.
 - Discounted pricing starts at \$275 per attendee when purchased in bulk.
 - Attendees do not need to be individual members, just your employee.
 - Log-in to your Club 72 Member profile for more information.
 - If you are not a Club 72 member, call or email AFAA's Training Manager, Tim Knisely for more info.
-

Available classes for either option include:

Pick from our 7-hour fundamental classes or 4-hour intermediate level classes. This can be applied to in-person or on-line training.

- Basic Fire Alarm
- Fire Alarm Plan Review
- Inspection and Testing
- Understanding the Fire Alarm Requirements of the IBC
- NICET Preparation - Level I and II (=two classes)
- Intermediate Detection Systems
- Elevator and Fire Alarm System Interface

Training Bundles and/or Company Subscriptions must be used within one-year from the date of purchase and are non-transferable to others. Existing membership must be maintained for the duration of the training bundle and/or subscription. If you have any questions, please contact us at training@afaa.org or (844) 438-2322.
